Group Play Modus & Play Off Qualification: *

- The CCT Austrian MD Cup features 12 teams playing a Round Robin in 3 groups of 4 teams.
- The 1st 2 teams of each group and the 2 best 3rd placed teams will qualify for the Play Off Games. Teams will be ranked according to their win/loss record.
- If 2 teams are tied, the team that won their Round Robin Game will be ranked higher.
- Where 3 or more teams are tied, the record of the games between the tied teams shall provide the ranking. If teams are still tied, the DSC average (new WCF Rules!!) will determine the ranking. The 2 best 3rd placed teams of all groups are those with most points or if tied with best DSC record.

*) The complete Rules of Competition & Play will be published on the official website: www.curling-austria.at/events.html
